

# Credit Lines

**Through our Credit Line, access a revolving** funds source for recurring or unexpected expenses of your company. This product allows you to pay a monthly installment of interest and principal payable at the expiration date of the loan. With a pre-approved amount, you can make multiple disbursements as required without the need to reapply.

## Benefits

- › Allows our clients to have additional funds available at a certain time
- › Attractive interest rates
- › Daily interest calculations
- › Consultation of balances through TuBanco Empresas
