

About us

Seguros Reservas S.A. was incorporated on October 18, 2001, starting operations on March 5, 2002; we are one of the main companies in the insurance market in the Dominican Republic.

We have a wide portfolio of products tailored to the needs of our clients, offering the most complete support against any unforeseen event.

We have been accredited by national and international rating entities in the insurance sector such as the Dominican Chamber of Insurers and Reinsurers (CADOAR) and the Pan American Bonds Association (APF).
